

Reading Together (February 19-25)

Numbers 1-18

The male population of Israel totaled 603,550 (Num. 1:46). What are some logistical issues that a group that size would face?

Even strong believers sometimes have bad days. What can we learn from God's response to Moses' complaint (Num. 11:10-15)?

What was the key spiritual difference between the ten spies who brought a negative report and the two spies who brought a positive report (Num. 13:26-14:9)?

Korah made his rebellion sound very democratic (Num. 16:3). What was the core spiritual problem?

Acts 6-10

What different types of miracles are evident in these chapters?

How would you summarize the main point of Stephen's sermon (Acts 7:1-53)?

How did persecution help to spread the gospel (Acts 8:1-4)?

Some people say that anyone who is sincere will be saved even if he or she doesn't hear the gospel. How does the story of Cornelius (Acts 10) refute that idea?
